A parish worship committee is appointed by the Rector to assist in the work of creating, designing, and planning the various liturgies throughout the church year. The committee consists of the lead individuals in each of the major areas that make-up the Sunday morning experience of the church.

At Holy Trinity, the Worship Committee members are:

The Reverend Don Davidson, Interim Rector  
Reed Bretz, Director of Music  
Kevin Wells, Parish Musician  
Bill and Nancy Atwell, Ushers and Greeters  
Lynda Adams, Liturgical Leadership (Subdeacon)  
Lisa Nelson, Acolytes  
Melissa Puzan, Sacristan  
Maggie Gonzalez, Live-Streaming  
Ron Tiller, Lectors (Readers)  
\_\_\_\_\_. Sunday School

The Wardens are members ex-officio.

The group meets once per month and at other times at the call of the priest. The group is advisory only. The group does not make decisions but does make recommendations to the priest in areas related to our services. Individual members also seek advice from other members on ways in which specific areas can be improved or modified.

During 2020 our main effort has been how to continue providing a meaningful service via electronic means. Long discussions were held when we decided to try the distribution of communion in our parking-lot, and the purchase of a small FM transmitter so that our service could be broadcast to the parking lot.

My sincere thanks to this great group of people. Although we have not been able to have a face-to-face meeting yet, I am truly appreciative of their efforts and willingness to keep going through this difficult time. They are also quite fun.

Fr. Don
