

Unfortunately, the COVID-19 pandemic impacted our programs this year.

Adult Education

We offered a Lenten Soup and Supper program based on the topic of racism. The program specifically looked at racism in terms of incarceration and its impact on individuals and families. It included reading and discussing bible verses, as well as watching and discussing a video presentation from Netflix. The program had to be discontinued due to pandemic regulations.

We offered a book discussion group through zoom. The group read and discussed the book The Shack by William Young. Then we read and discussed Love Wins by Rob Bell.

A centering prayer group was also offered through zoom. The group practiced centering prayer and discussed the book Open Mind, Open Heart by Thomas Keating.

If there are any questions or suggestions, please contact Lynda Adams at:

Lay Eucharistic Visitors

Eucharistic Visitors are trained to offer communion to our parishioners who can not join us for worship at Holy Trinity. We go out in pairs to homes or nursing facilities. Due to COVID-19 restrictions we had to suspend all visits.

Reports respectfully submitted by:
