

Altar Guild Report

2021

Where do I begin? Altar Guild was very different this year. Once Covid hit we were basically done. We did do a few things but not our normal duties.

First I would like to say thank you to all the ladies and gentleman that has stuck with the ups and downs of our duties. I also want to thank those ladies that gave it their all but had to retire from their duties. Thank you one and all for your service to this ministry.

We did do a deep cleaning and set up to go back inside. That was a wonderful time. Unfortunately one week was not enough, we will prevail and we will be inside once again. Hopefully to stay. We did have outdoor services with communion! Thank you altar for help making that a success.

We now have drive-up communion which is wonderful. Another thank you for the people responsible for setting that up every week.

We now roll in to Advent. We had greens and candles. It was wonderful to see.

Thank you Troy and Lisa for the outdoor decorations for Christmas. They looked amazing! God is with us! Always!

Again thank you one and all for making this ministry a success. I couldn't do it alone. I will be working on a new schedule for when we return inside.

I know this is not easy and I pray for healing for our hearts, our minds and our bodies.

God Bless
