

Holy Trinity Wyoming Music Department 2020 Annual Report

With the majority of 2020 services being held online or in a parking lot setting, Reed Betz and Kevin Wells have been providing weekly music for weekly services.

In March until mid summer, Kevin and Reed would meet each Wednesday afternoon to record the music needed for the virtual weekly service.

In mid August, as HT transitioned to a parking lot setting, Reed and Kevin provided live music for each of the weekly services. The outdoor services lasted until late October/early November.

With services being held live online each Sunday, Kevin and Reed are continuing to offer music for the weekly services. A special thank you to Genia LaNore for assisting as well.

Hopefully, by late 2021 - there will be an opportunity to re-engage the choir into the weekly service.

If there is a solo voice that would like to add to the weekly service, you would be in place of Reed or Kevin. Feel free to reach out to either of us.

Thank you to all for your flexibility this year, in regards to music.
